

Ridgway Area School District
Superintendent's Evaluation 2019-2020

The Ridgway Area School District's Superintendent's overall evaluation for the 2019-2020 school year was **SATISFACTORY**.

The Superintendent's Goals for the 2020-2021 school year include:

- A continued focus on student achievement and growth through instructional and extra-curricular opportunities.
- District wide planning and vision development for sustainability through open communication and transparency practices.
- The development of financial practices through a revenue model, rather than expenditure model.
