

Ridgway Area School District

Where students will discover their purpose for today and their passion for tomorrow!

A Note from
Mrs. Noel Petrosky
Ridgway Area School District Superintendent
62 School Drive
Ridgway, PA 15853
814-773-3146

Dear Community Members,

I am writing to you again to encourage you to please reach out to your representatives concerning the state budget impasse. I have included their contact information:

Mike Armanini 75 th District - House 814-375-4688 https://www.repmikearmanini.com/contact	Cris Dush 25 th District – Senate 717-787-7084 https://senatordush.com/contact-me/
--	---

I am including some relevant information concerning the lack of urgency in completing this budget process. After today, both parties will not be in session together to vote until October 27.

Some updates from this week and last:

- **The Senate has only been in session for 8 days for the voting session since July 1st**
 - After October 8th, the Senate will return on October 20th
- **The House has only been in session for 12 days for the voting session since July 1st**
 - After October 8th, the House will return for a voting session on October 27th
- **The Senate introduced legislation to allow Treasurer Garrity to waive interest on the previously offered treasury loans**
- **The House and Senate Appropriations Committees have continued to meet, advancing non-budget-related legislation**

PLEASE help our school by letting our elected officials know that we need them to complete this budget process so we can deliver the education the students at RASD deserve.

Sincerely,

Noel Petrosky, Superintendent
